Remember, White Night Melbourne is a really popular event, so a little time spent thinking about how you will get there, when to arrive and what to see, will make for a great experience. There is so much on offer that you don't have to see everything. Take advantage of the quieter spaces to rest and recharge and enjoy your evening.

STARTING IN THE SOUTH?

Arrive from the south and you'll discover **Southern Lights** and **Wonderland** brimming with stunning illuminations, live music, interactive works and much more. Alexandra Gardens is home to the **Blues Speakeasy** stage and Big hArt's **Skate White Night All Night** and the best vantage points to take in the liquid light show of **Aqua Vitae** presented by Melbourne Water. Next door at Queen Victoria Gardens you'll find a range of interactive works and installations to delight your senses. The façade of NGV will be transformed with Josh Muir's **Still Here** and Melburnians can take over the Arts Centre Melbourne's spire with **Cmd. Ctrl. Decipher**. Reko Rennie's **Federation²** turns Melbourne's favourite meeting place into a dazzling jewel box of light and colour. And Birrarung Marr hosts a massive dance floor for **Trip the Light Fantastic**.

STARTING IN THE NORTH?

The two precincts north of Bourke Street – **The Big Top** and **Northern Lights** – offer hours of entertainment and activities to illuminate your evening. Northern highlights include the family-friendly program **Circus Circus** presented by VicHealth and the illumination of the Royal Exhibition Building by OCUBO and the **Pitcha Makin' Fellas**; Craig Walsh's luminescent life forms come to life at **Incubator** in Melbourne City Baths; the best of local and national musos performing at the **Live on Lonsdale** music stage; and projections inside, outside and around the State Library Victoria. There's so much packed into the north, you won't need to venture elsewhere.
